ABOUT US

Wellcome to the thriving world of Warjurkar Enterprises, a distinguished Mining and trading company making its mark in India, South Africa, and Zimbabwe. Our journey is steered by the visionary leadership of Mr. Shankar Narayan Warjurkar, whose strategic acumen and extensive industry experience have propelled the company to new heights.

With a global presence, we undertake self-driving projects and collaborate with reliable miners and suppliers to ensure the reliability and sustainability of our operations. Our competence allows us to respond to the evolving needs of industries seeking new markets, and we eagerly anticipate welcoming new customers to our growing family.

At Warjurkar Enterprises, we take pride in our Joint Ventures and Long-Term Off-Take Agreements with mine owners for essential minerals like Lithium Ore, Manganese Ore, Chrome Ore, Iron Ore, and Coal. These partnerships underscore our commitment to stability and reliability in the supply chain.
