GLOBAL MINING & TRADING COMPANY

Welcome to WARJURKAR ENTERPRISES (WE), a dynamic Mining & Trading company with a robust presence in South Africa, Zimbabwe, and Nigeria.

WWW.WARJURKAR.COM

ABOUT US

Welcome to the thriving world of Warjurkar Enterprises, a distinguished Mining and trading company making its mark in India, South Africa, and Zimbabwe. Our journey is steered by the visionary leadership of Mr. Shankar Narayan Warjurkar, whose strategic acumen and extensive industry experience have propelled the company to new heights.

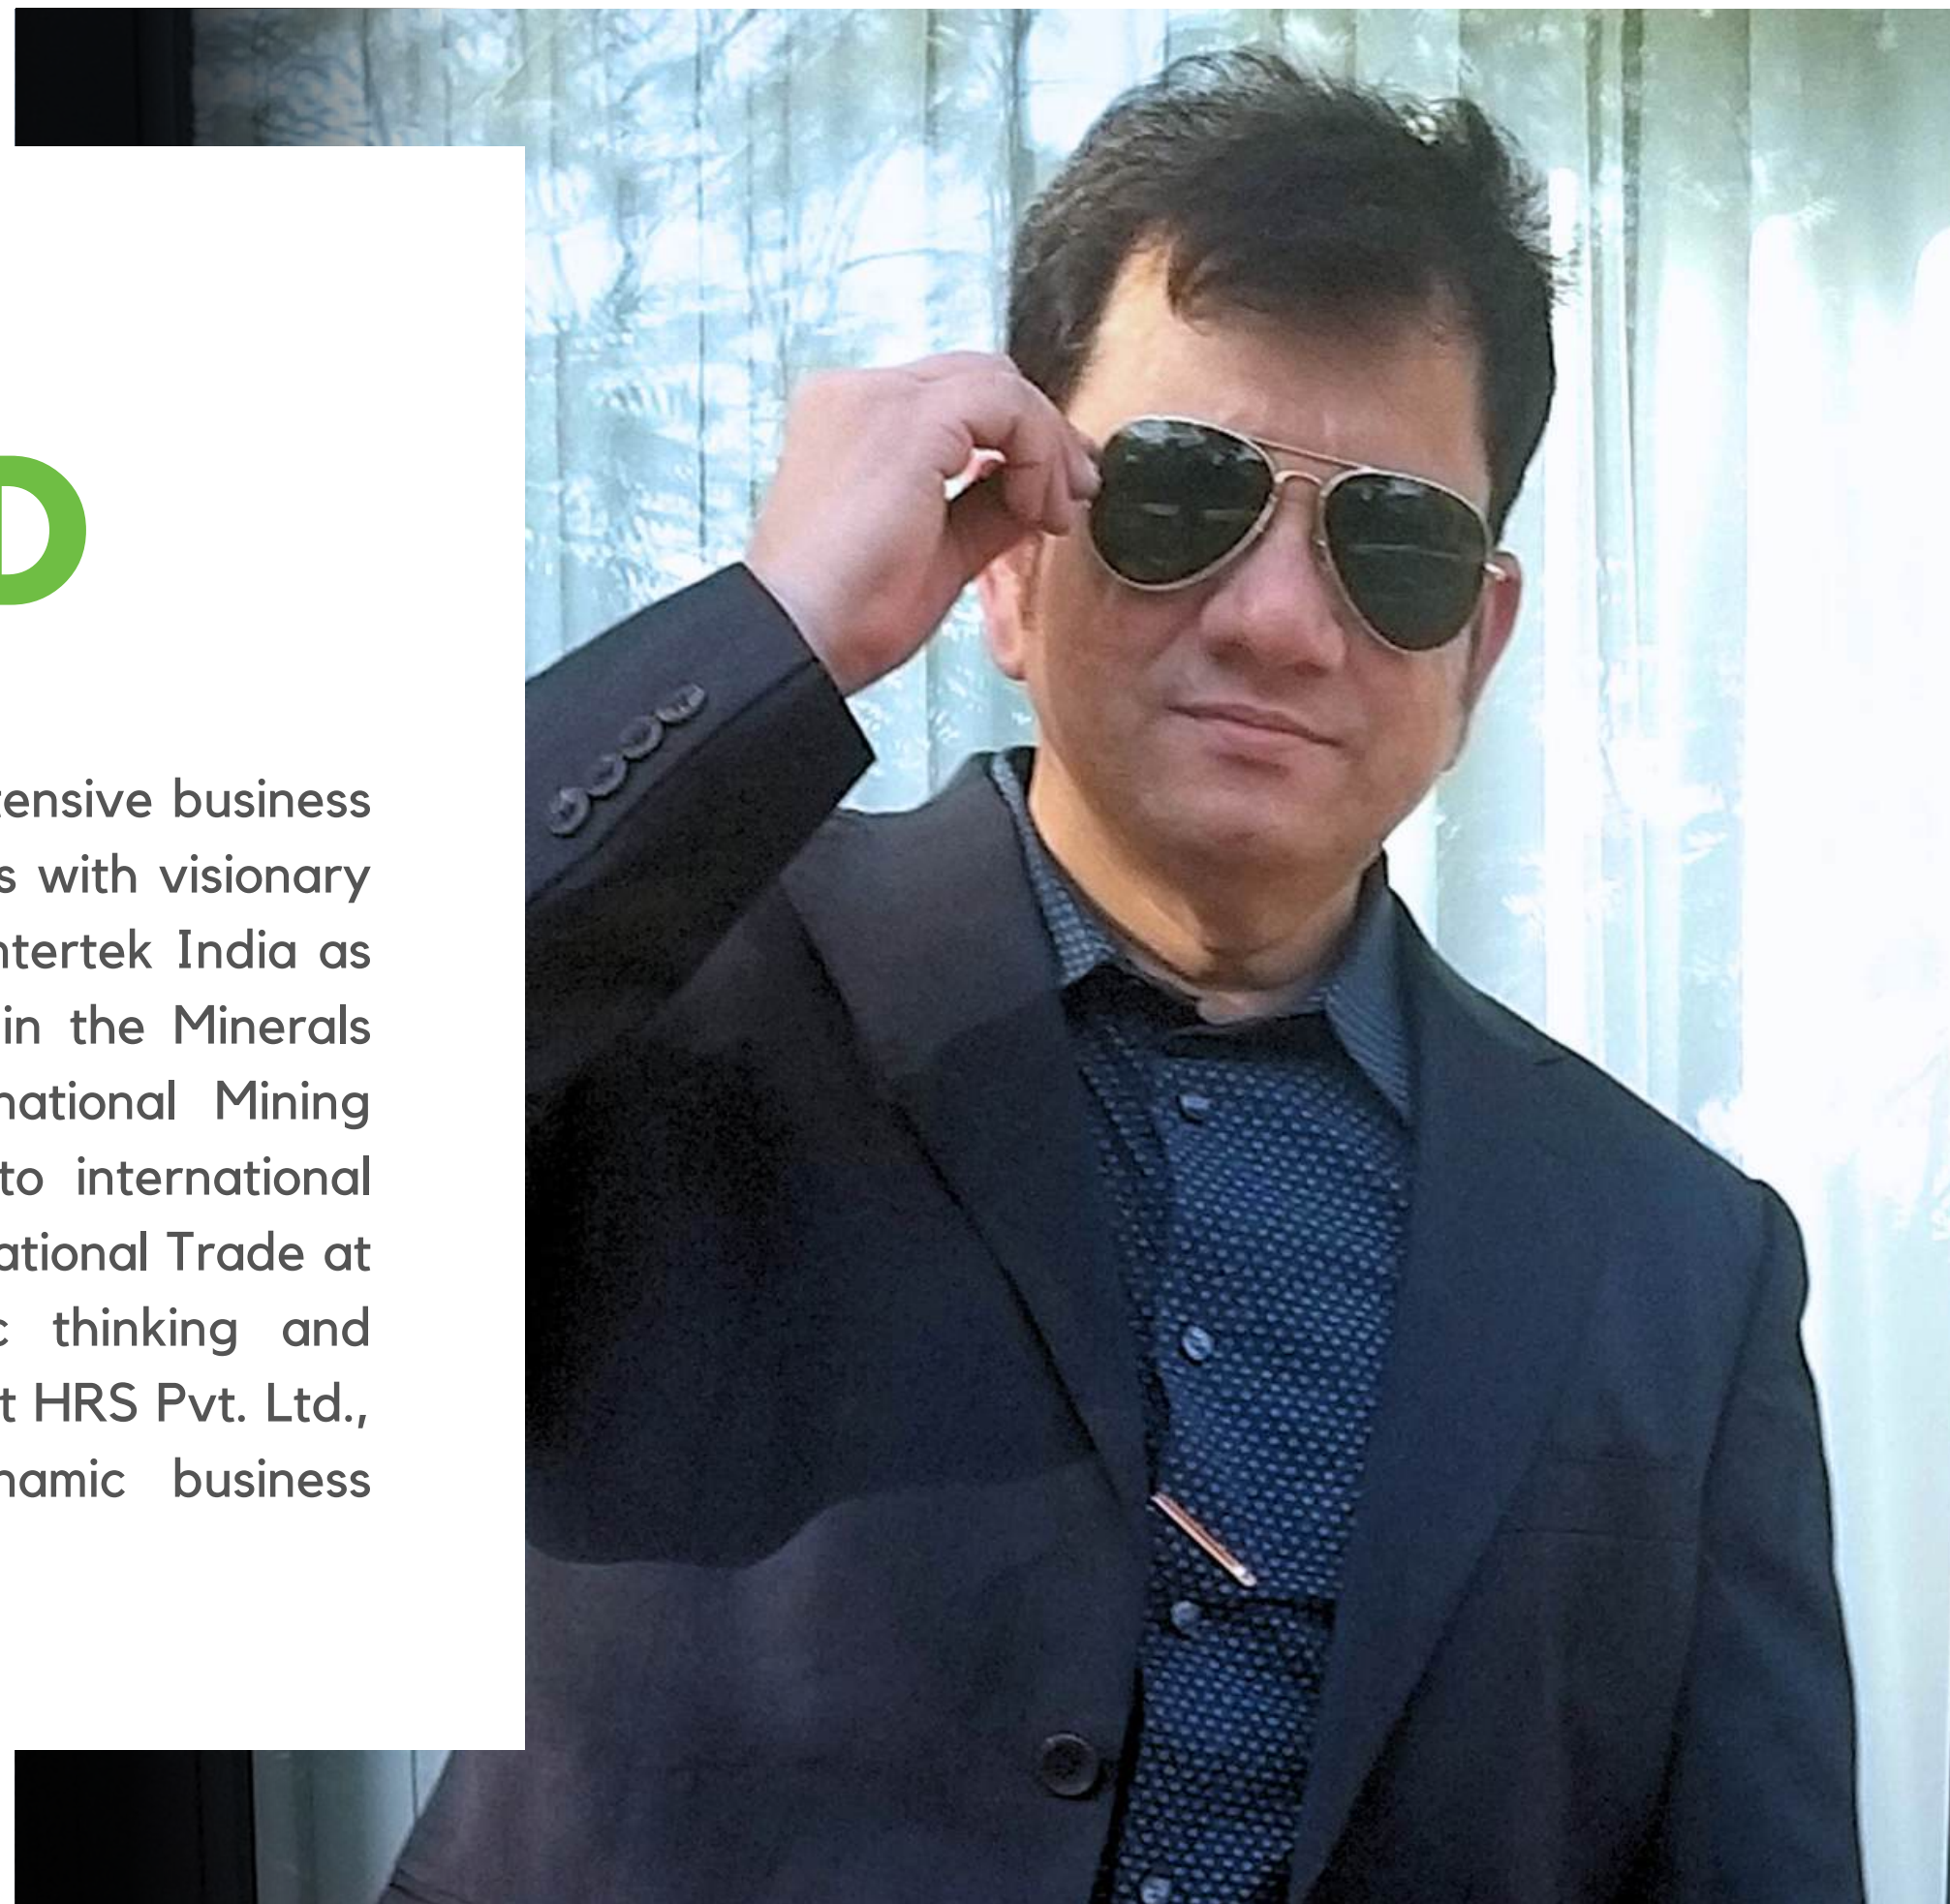

With a global presence, we undertake self-driving projects and collaborate with reliable miners and suppliers to ensure the reliability and sustainability of our operations. Our competence allows us to respond to the evolving needs of industries seeking new markets, and we eagerly anticipate welcoming new customers to our growing family.

At Warjurkar Enterprises, we take pride in our Joint Ventures and Long-Term Off-Take Agreements with mine owners for essential minerals like Lithium Ore, Manganese Ore, Chrome Ore, Iron Ore, and Coal. These partnerships underscore our commitment to stability and reliability in the supply chain.

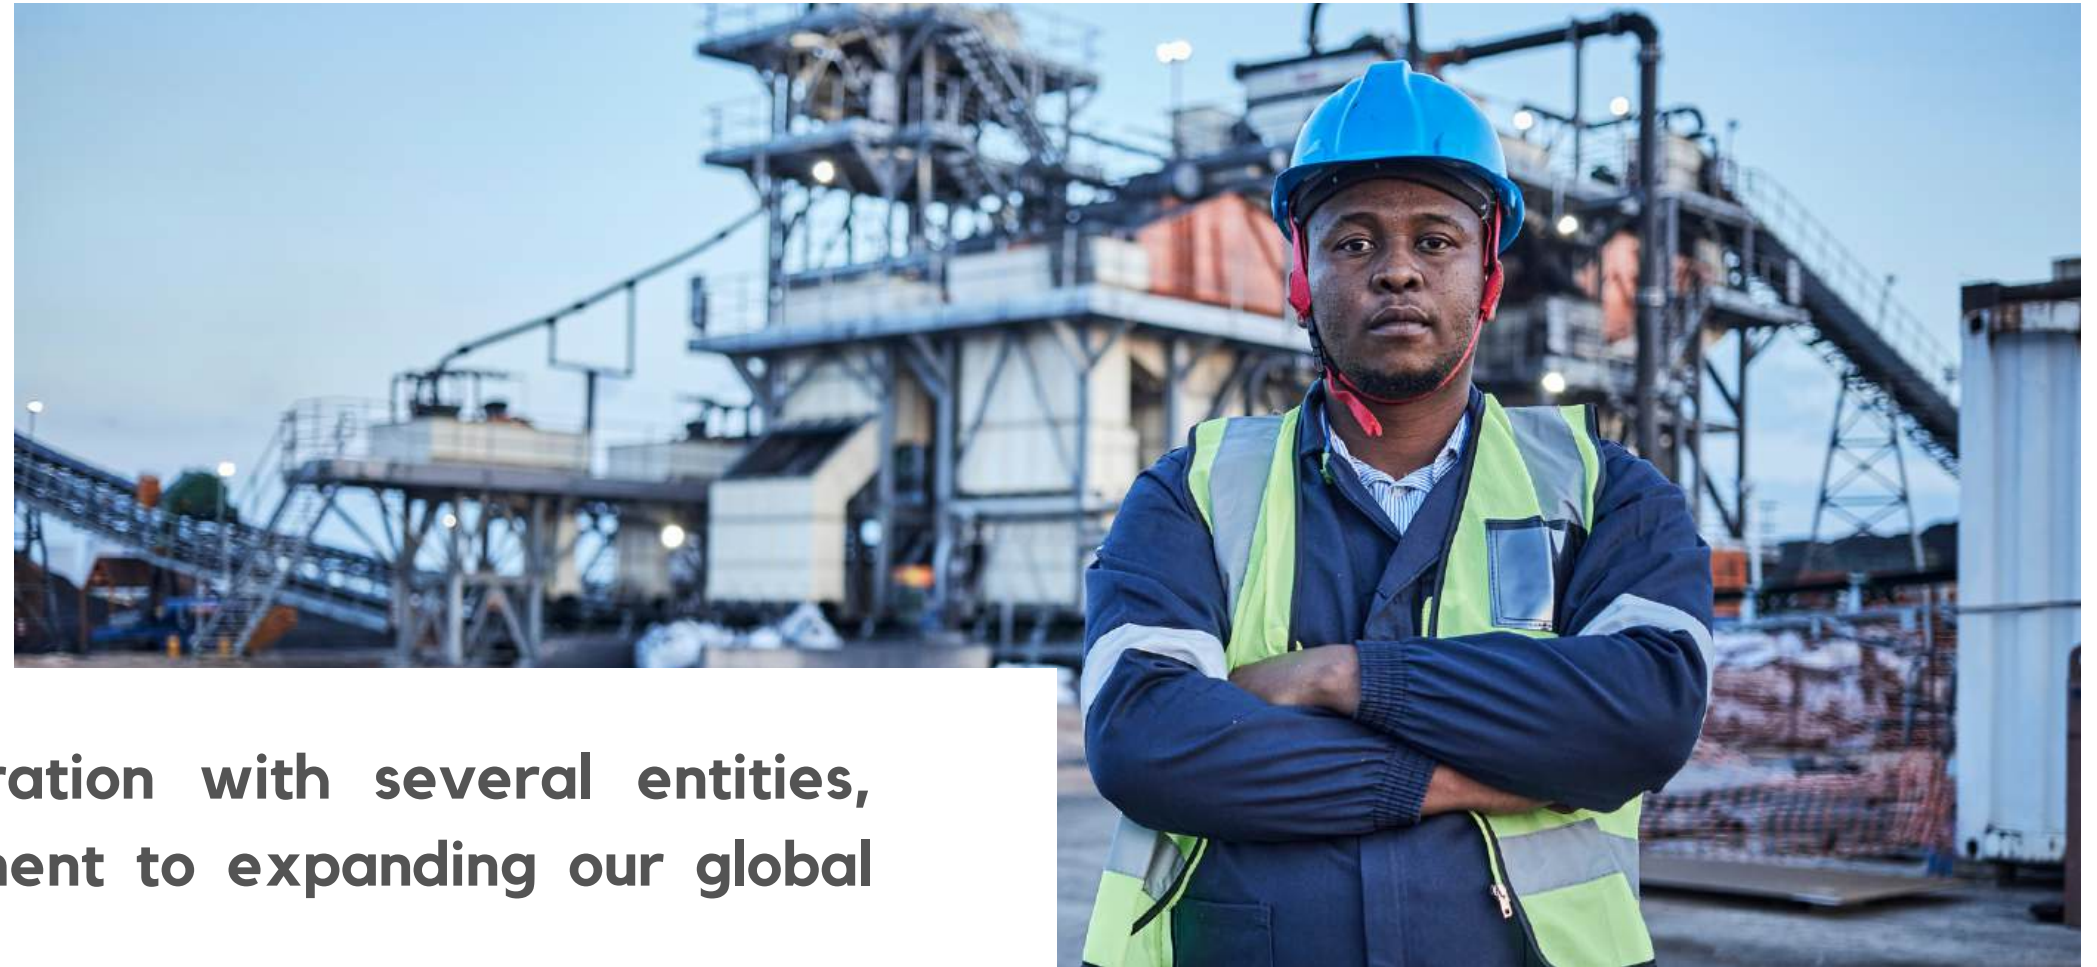

PROMOTER'S BACKGROUND

Mr. Shankar Narayan Warjurkar, with an MBA and extensive business administration background, leads Warjurkar Enterprises with visionary prowess. His illustrious career includes a key role at Intertek India as the National Business Manager for India Operations in the Minerals Division and as Deputy General Manager in International Mining Business Development at Jindal Group. Venturing into international trade, he was responsible for Joint Venture and International Trade at Austral Coke & Projects Ltd., India. His strategic thinking and commitment to excellence are evident in roles as CEO at HRS Pvt. Ltd., ensuring Warjurkar Enterprises thrives in the dynamic business landscape, poised for continued success.

Our Global Presence

WELCOME TO WARJURKAR ENTERPRISES (OPC) PVT. LTD. (INDIA)

With a stronghold in India, We engage in the Domestic Trading of essential Minerals and Commodities, including Iron Ore, Manganese, Chrome, Lead, Zinc, Coal and Other Minerals. Centralizing all companies under the Warjurkar Enterprises Group, we foster joint ventures, collaborations, and long-term agreements, especially within key markets like South Africa, Australia, Guinea Conakry, UAE, Nigeria, Zimbabwe, Colombia, Brazil, and many others. Our network ensures mutual growth and an expanded reach, enhancing our ability to serve diverse markets effectively.

WARJURKAR CHROME SOUTH AFRICA PTY. LTD. (SOUTH AFRICA)

Warjurkar Chrome South Africa Pty. Ltd. (WCSAPL, SA) is a dedicated mining and trading company focused on Chrome Ore, Chrome Concentrate, and Ferro Chrome. With a vision to be a leading player in African mining, WCSAPL, SA aims to acquire Chrome mines in South Africa, fostering collaboration through joint ventures and off-take agreements. By partnering with local mine owners and producers in South Africa and Zimbabwe, the company ensures a robust supply chain to meet global demand. Committed to excellence, WCSAPL, SA is not just building a business but forging a lasting legacy in the mining and trading sector.

WARJURKAR ENTERPRISES NIGERIA LTD. (NIGERIA)

Warjurkar Enterprises Nigeria Ltd. (WENL) is a mining and trading company in Nigeria and West Africa, targeting Lead Ore production. In the process of acquiring a Lead Mine in Northern Nigeria, WENL plans expansive growth, aiming for at least 5000 hectares of Lead Mines. The company anticipates Lead Mining Operations starting by April 2024, with an initial focus on exporting high-grade Lead Ore to global markets. WENL has long-term plans for a Lead Ore Processing Plant by 2026-27, demonstrating commitment to value addition. Beyond Lead, WENL actively explores various minerals, aspiring to be a prominent player in the global market for multiple resources.

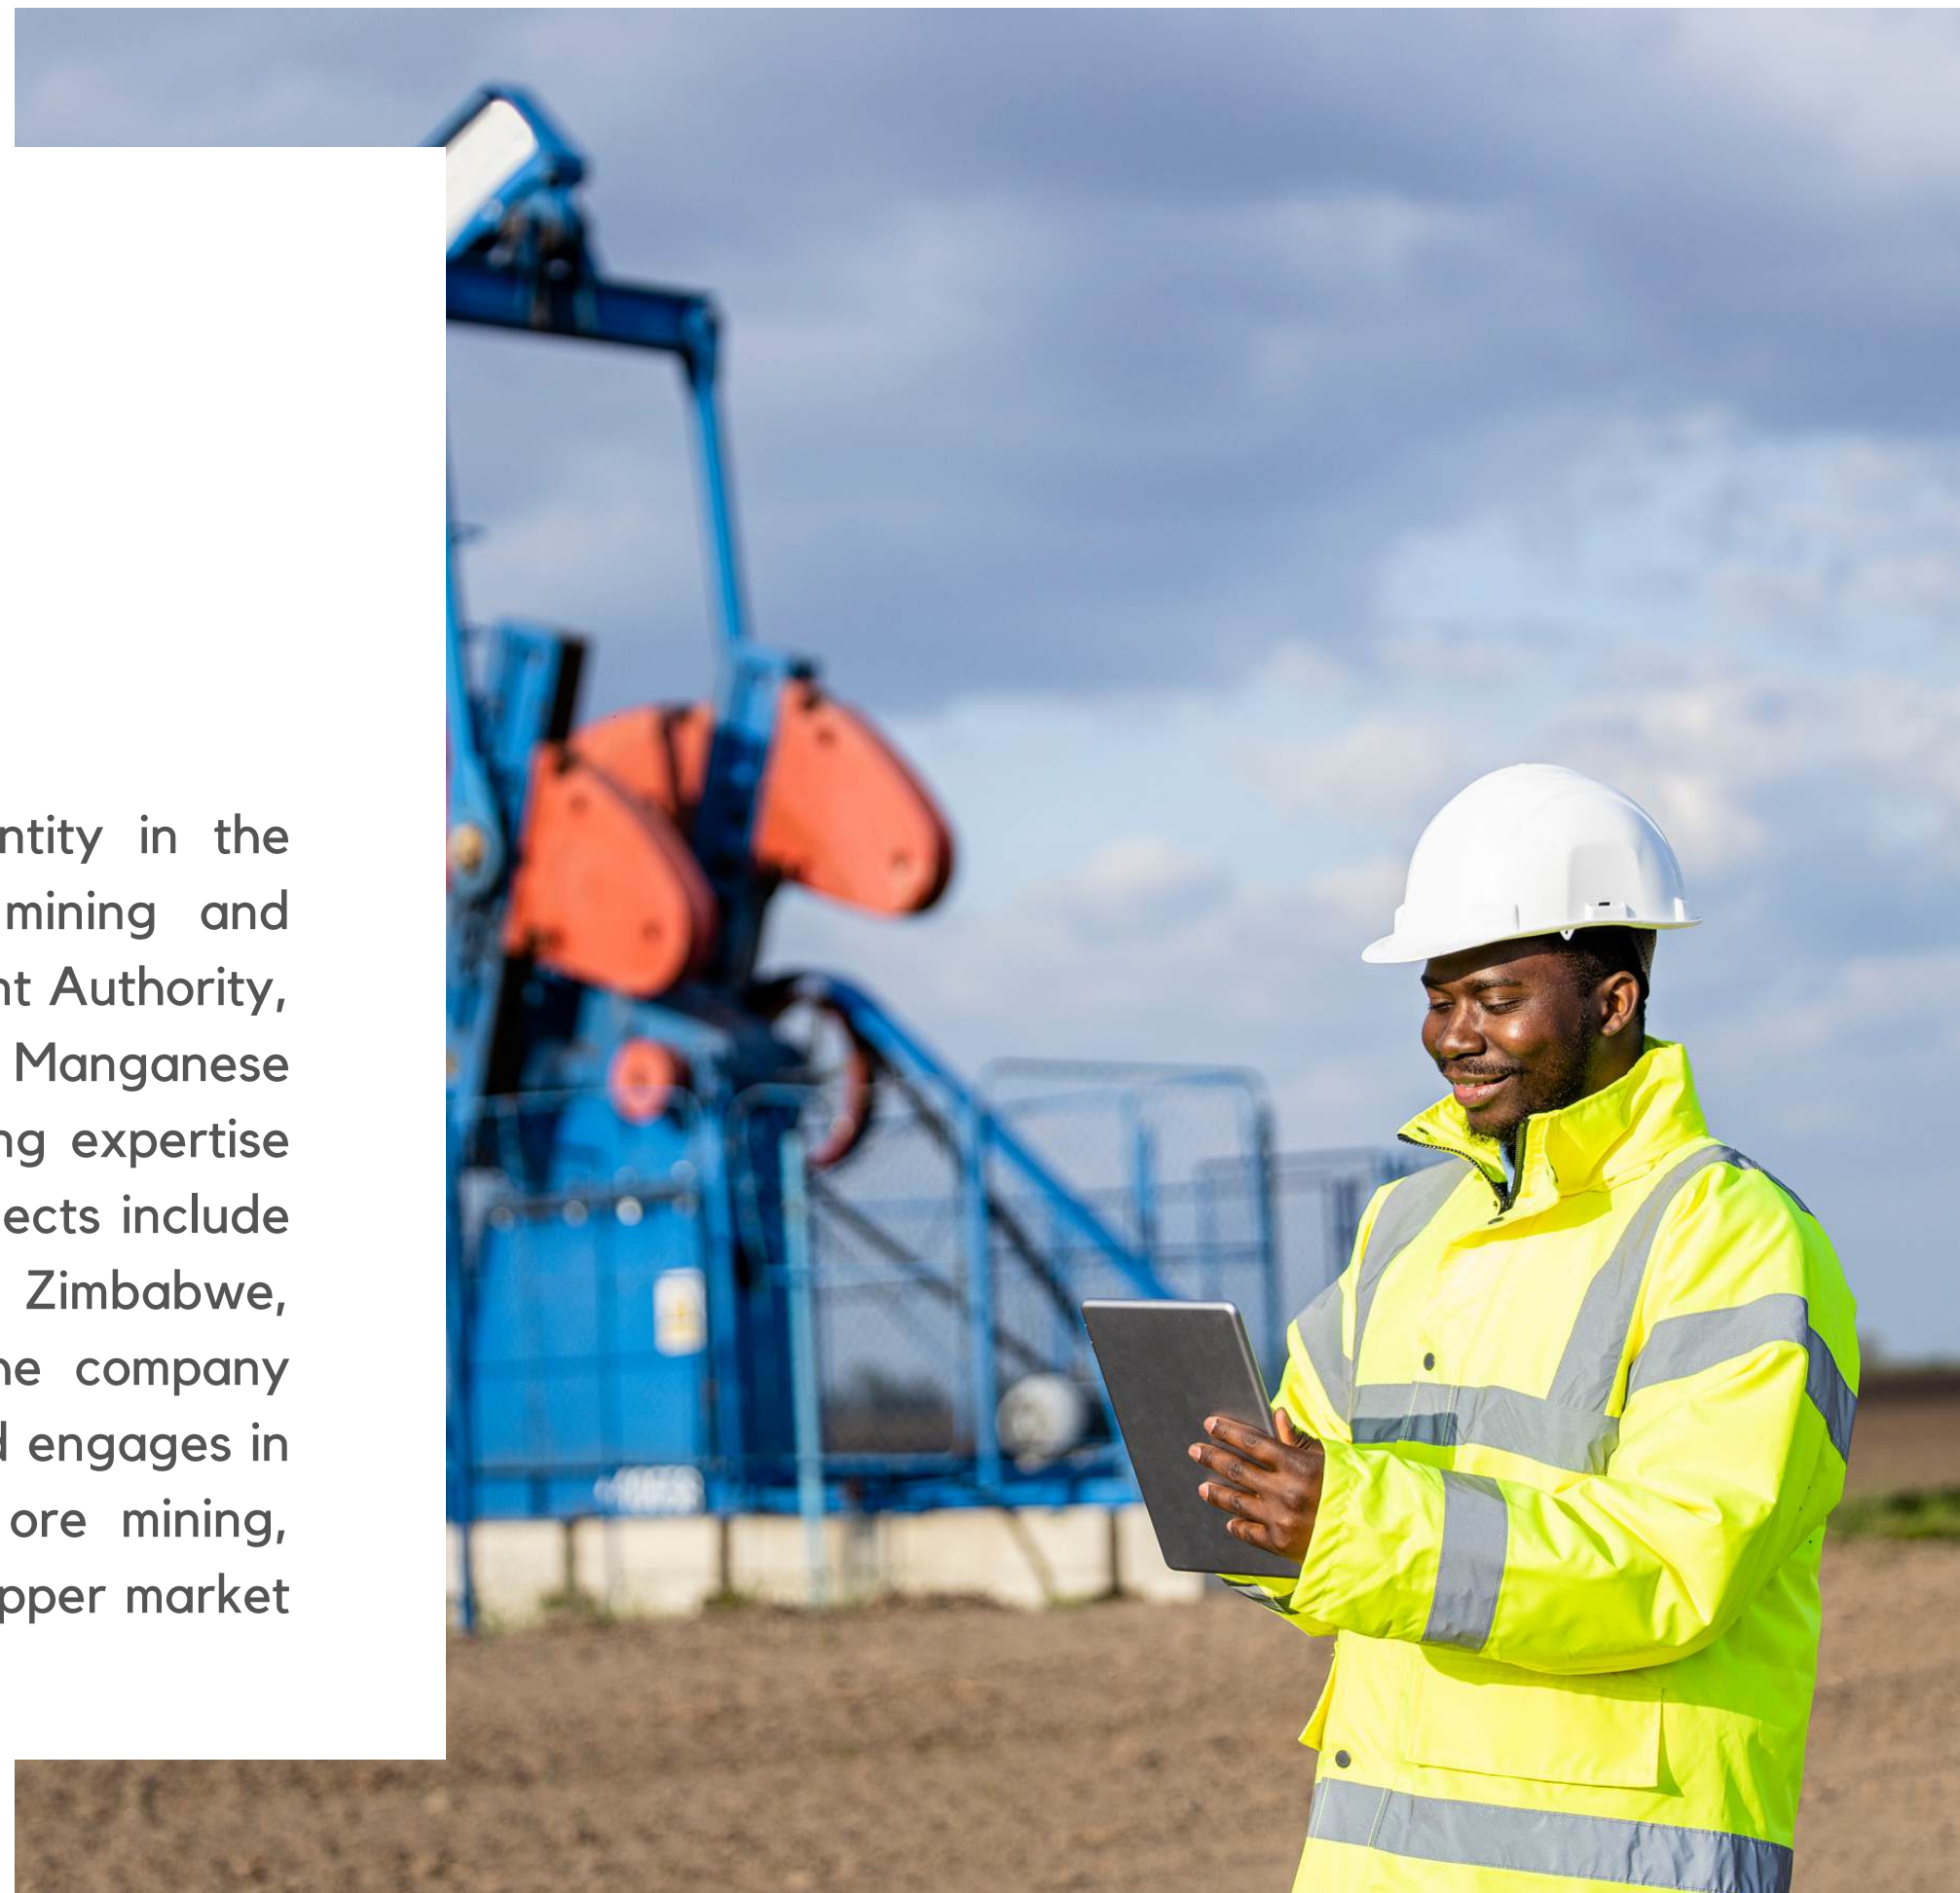

WARJURKAR ENTERPRISES PTY. LTD. (SOUTH AFRICA)

Warjurkar Enterprises Pty. Ltd., South Africa (WEPL, SA) is a leading mining and trading company with a focus on exporting high-grade Chrome Concentrate. With a proven track record featuring specifications of Cr_2O_3 ranging from 47% to 50.25% and a Cr: Fe Ratio of 1.7:1 to 2.2:1, the company regularly ships its product from Durban Sea Port. Expanding operations, WEPL, SA plans both bulk and containerized shipments from February to March 2024. Beyond Chrome, the company strategically acquires various mineral resources, positioning itself as a multifaceted player in the mining sector. Actively involved in global markets, WEPL, SA exports a range of minerals sourced from neighboring countries.

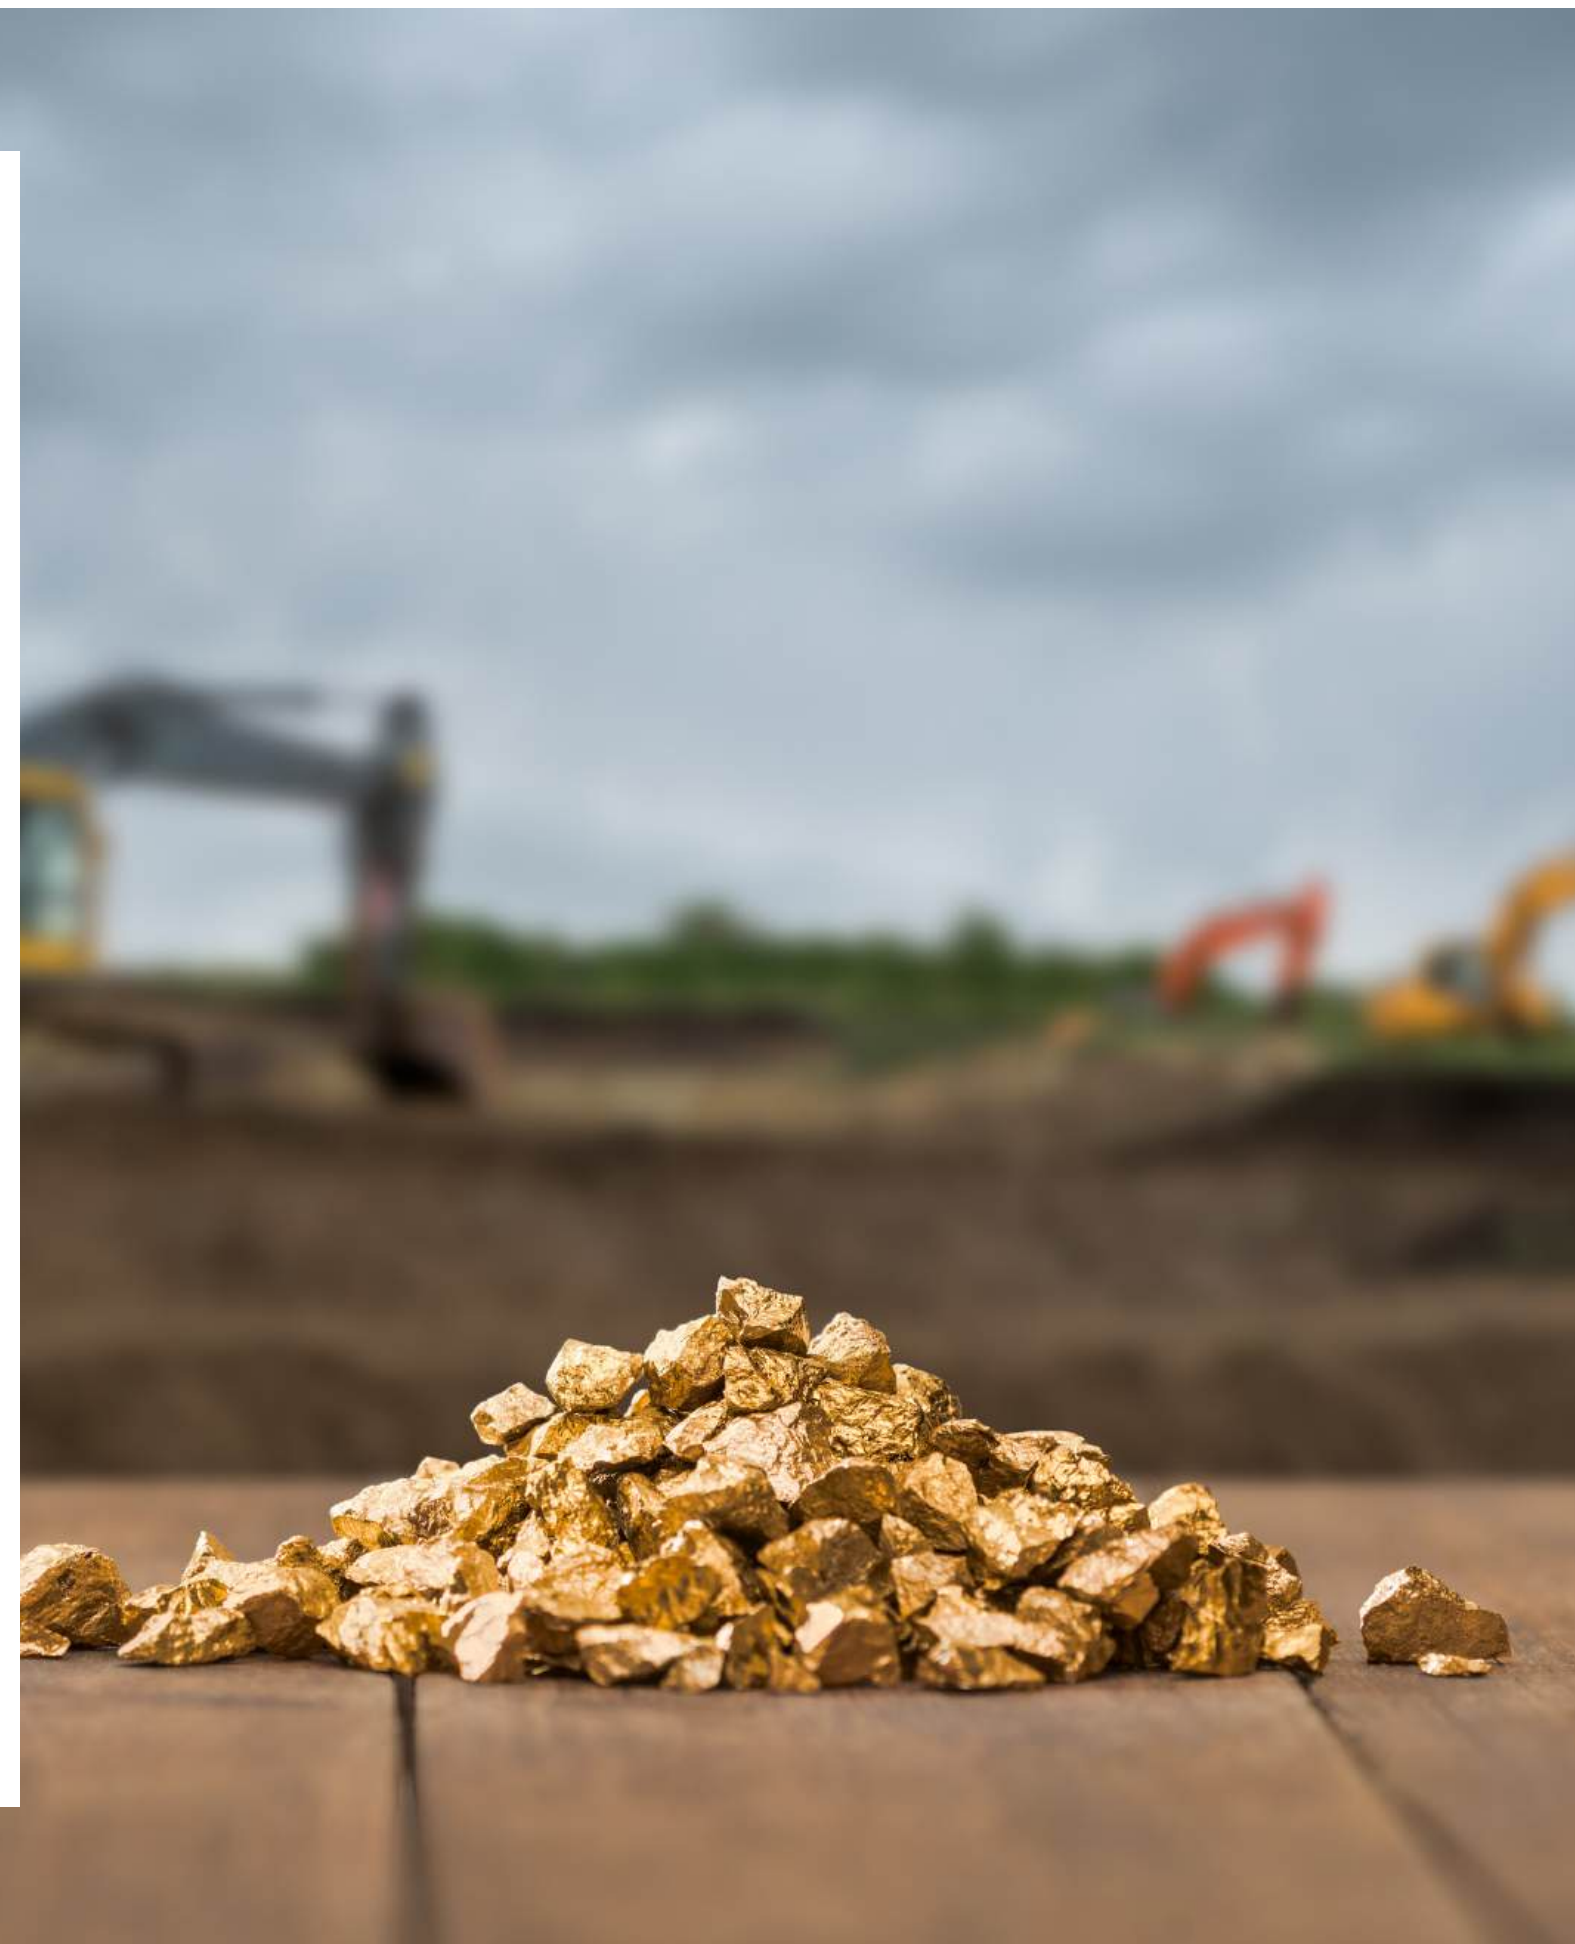

WARJURKAR ENTERPRISES PVT. LTD. (ZIMBABWE)

Warjurkar Enterprises Pvt Ltd, Zimbabwe, a key entity in the esteemed Warjurkar Enterprises Group, excels in mining and processing. Acknowledged by the Zimbabwe Investment Authority, the company has been granted the Lithium and Manganese Exploration, Mining, and Processing Project, showcasing expertise and collaboration. Expanding its portfolio, ongoing projects include copper exploration, mining, and processing in Zimbabwe, emphasizing diversification. In the chrome sector, the company secures export exemptions for Chrome concentrate and engages in a joint venture with local mine owners for copper ore mining, positioning itself as a significant player in the global copper market and contributing to the supply chain.

JUMUA METAL & MINERALS PVT. LTD. (ZIMBABWE)

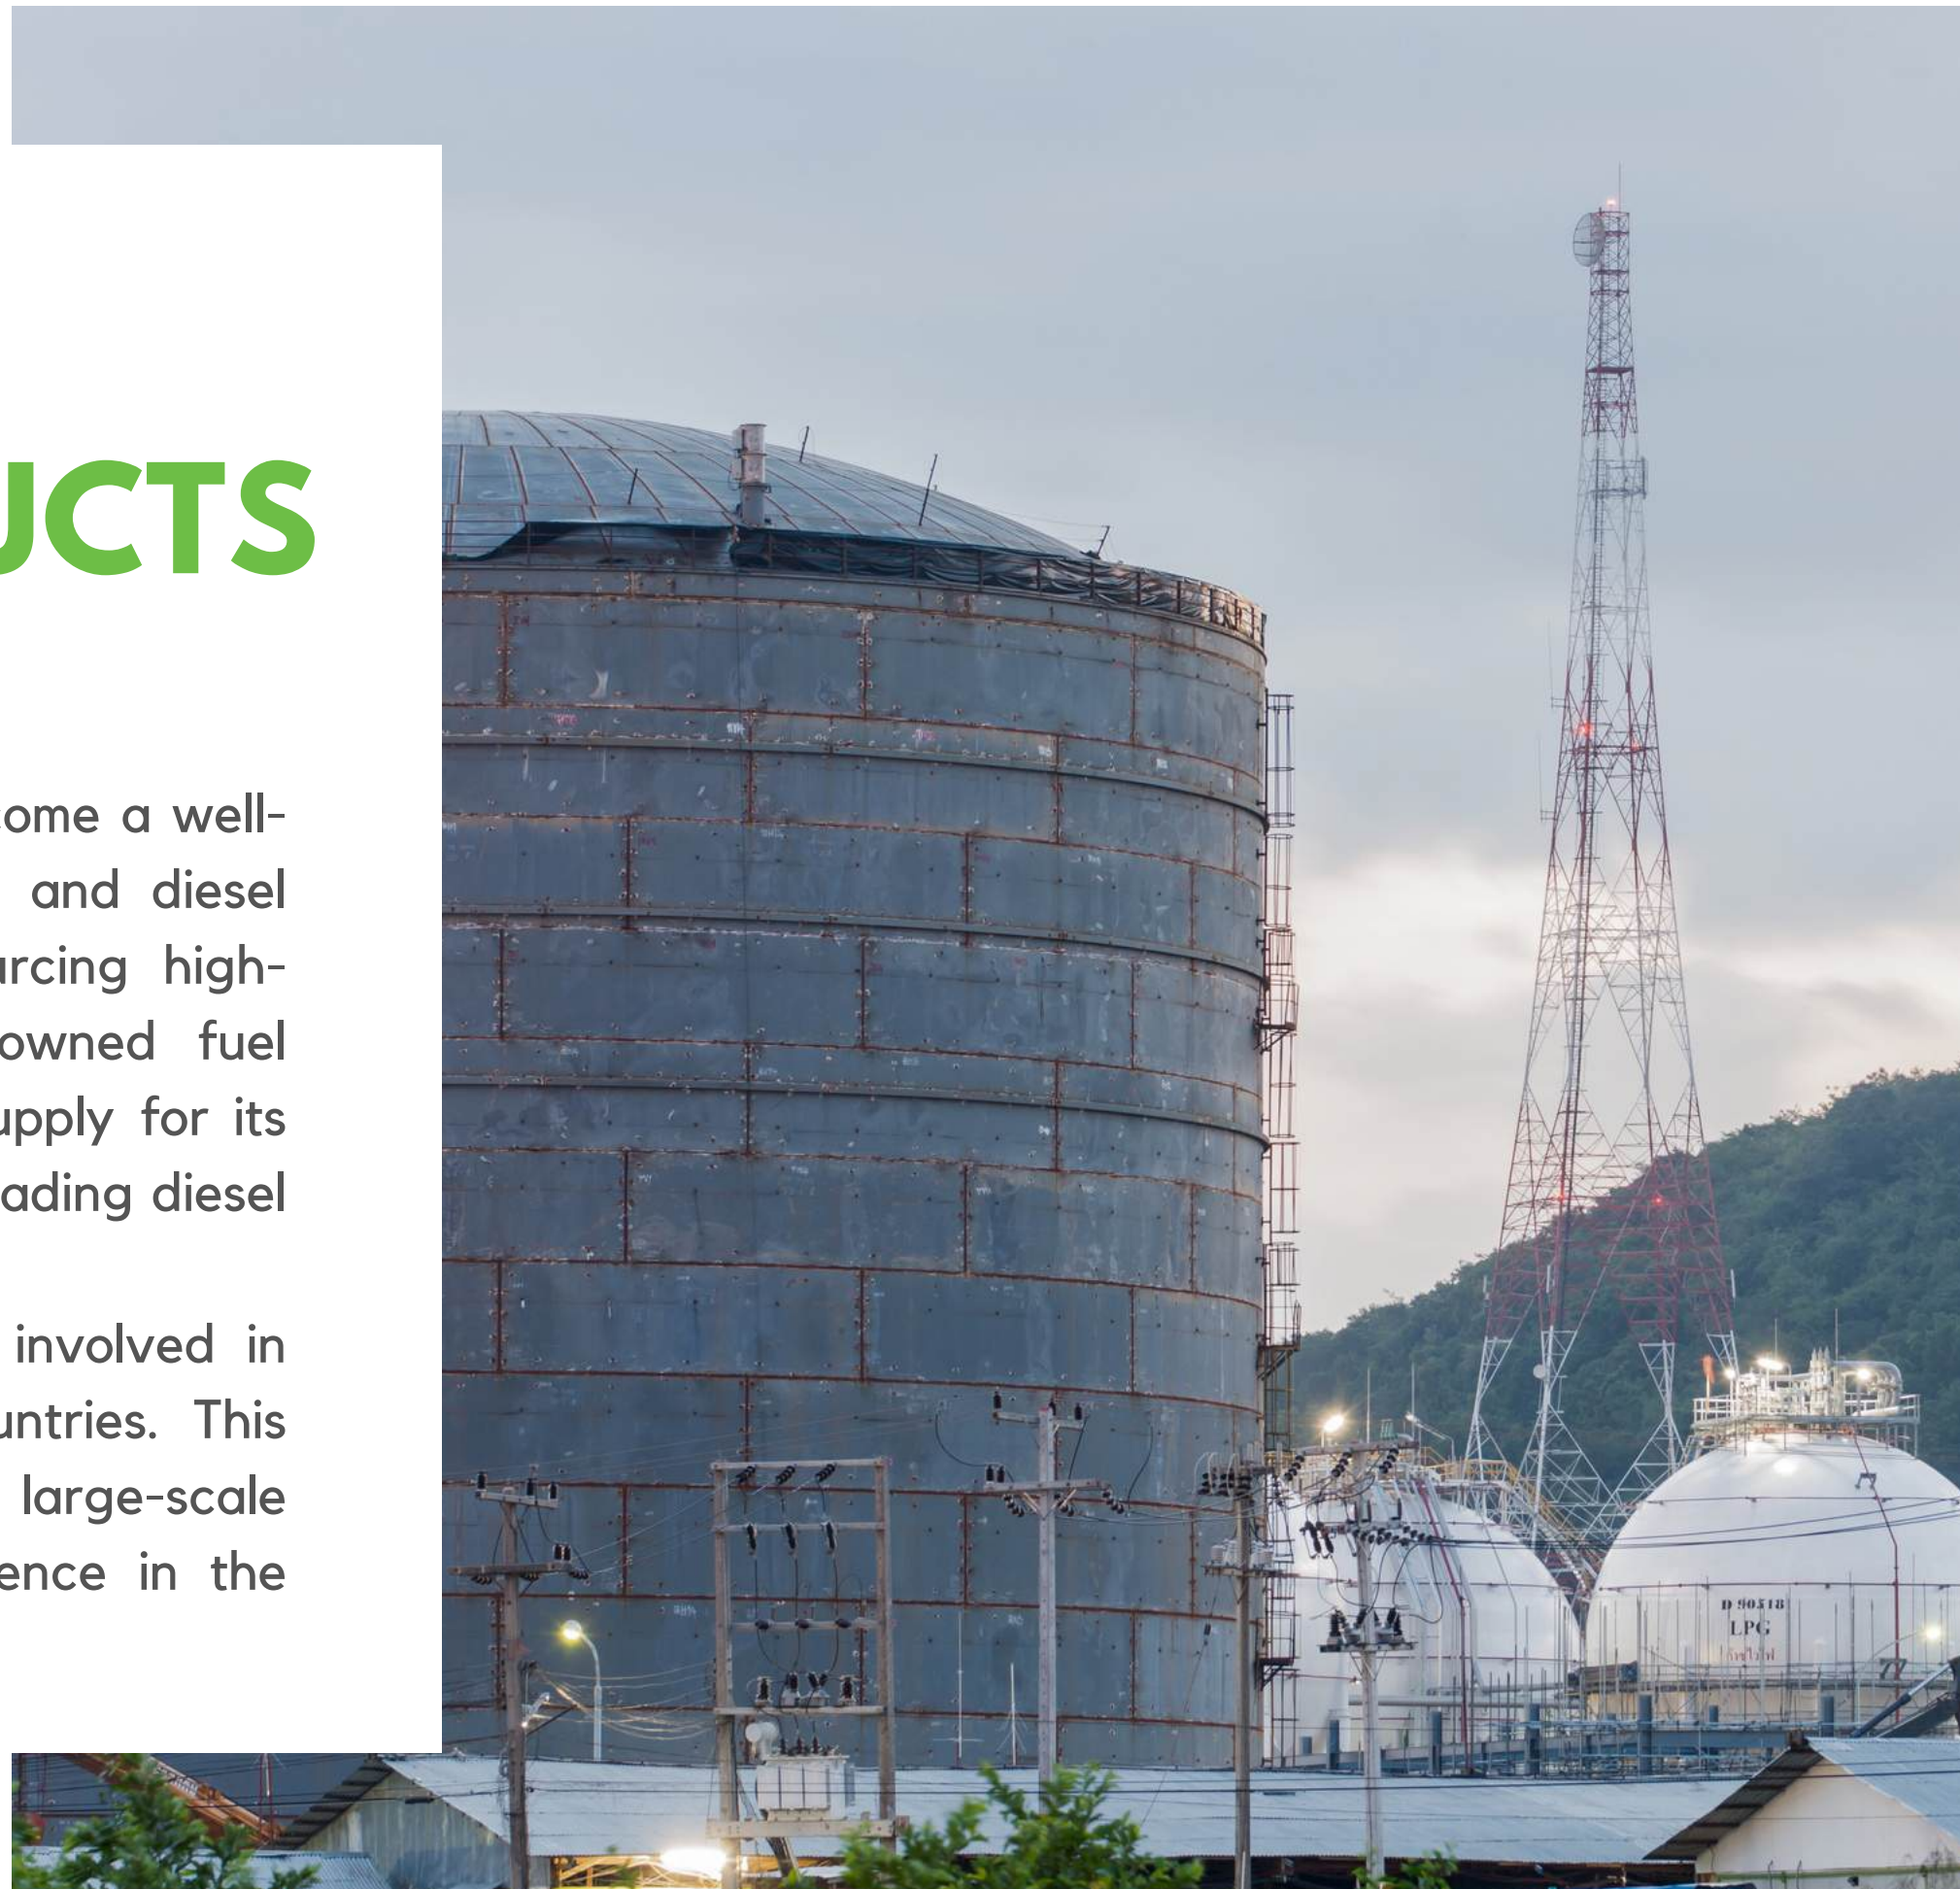

Warjurkar Enterprises, Zimbabwe, proudly participates in gold projects as co-promoters and shareholders through Jumua Metal & Minerals Pvt. Ltd. Recognized by the Ministry of Mines & Mining Development, Zimbabwe, the company holds exclusive rights for gold exploration and mining in two strategic areas, located near Harare. With granted Environmental Impact Assessment approvals, their commitment to responsible mining is evident. Beyond gold, Warjurkar Enterprises aspires to be a leading mining and processing company in Zimbabwe, venturing into Lithium, Chrome, Copper, Manganese, and Gold exploration, mining, and processing to cover a diverse range of valuable minerals.

PRETOLIUM PRODUCTS

WARJURKAR ENTERPRISES is actively striving to become a well-organized and reputable company in the global fuel and diesel supply industry. The company's mission includes sourcing high-quality diesel from some of the world's most renowned fuel refineries, ensuring a secure and reliable long-term supply for its clients. This involves forging strong partnerships with leading diesel providers who adhere to stringent quality standards.

Furthermore, WARJURKAR ENTERPRISES is heavily involved in negotiations with buyers across various African countries. This includes engaging with government entities and large-scale enterprises to establish and expand its market presence in the region.

SCOP OF INVESTMENT

Welcome to Warjurkar Enterprises, a dynamic player in the global mining and trading industry.

Warjurkar Enterprises operates in Zimbabwe, South Africa, Nigeria, Zambia, and the USA, focusing on mining, processing, and trading various minerals. In Zimbabwe, they emphasize Chrome, Lithium, Copper, Lead, and Gold, including exploration of gas projects. South Africa sees involvement in Chrome, Platinum, Manganese, Iron Ore, and Coal. Nigeria is committed to Lead, Copper, Zinc, Lithium, and Iron Ore. Zambia engages in Lead, Copper, and Zinc projects. In the USA, the company trades Pet Coke and explores Coal, Oil, and Gas. Offering fast-track revenue projects, Warjurkar Enterprises provides opportunities for investment, driven by experienced promoters committed to sustainable practices and excellence.
